Air conditioning

FIREFLY is a Lagoon 620 catamaran, launched in 2011. She was the first hull featuring an all new and significantly improved interior layout combined with a more contemporary and modern furniture design developed by Nauta. The new layout has opened up more living space below deck, allowing you to enjoy your time aboard in total luxury.

Firefly accommodates 6 guests in three cabins with queen size beds, all with en-suite bathrooms. The Master cabin has two entrances (from the deck and from the saloon), a queen bed, a nice sofa, a desk. All cabins enjoy a flat screen TV& DVD.

Firefly is chartering in Balearics and has the Spanish License. Join the warm and welcoming very professional crew of 3 and

enjoy an experience that you will normally find on much bigger yachts and larger crews.

A yacht and crew clearly devoted to fulfill all your needs and expectations!

All pictures, except when specified, are Firefly's. Firefly's hull's color has been changed to grey in 2018.
